### Drawing with Hebrew Letters (ages 7-12) with Robyn Gahr

This program will introduce students to drawing using a creative language of letters and shapes. The graphic quality of the Hebrew alphabet is the perfect inspiration for teaching language through art. Students will create with ink, paper and color, learning to express with their hands what their imaginations see. No prior drawing experience or knowledge of the language is required, just a desire to learn and create. **The program begins April 10.** Class runs Wednesdays from 4:30-6pm for 6 weeks. Maximum of 15 students.
