Our goal is to spark creativity, build self-confidence and develop community bonds through education, mentoring and community service.

Dear Artist,

Thank you for your interest in becoming a Working Artist Member of ArtFusion 19464. This past year has been an eventful one for our non-profit. We underwent a rebranding, changing from The Gallery School of Pottstown to ArtFusion 19464. We also hosted an amazing educational exhibit *Threads of a Story: Continued*, which told stories of the Civil Right movement through portraits by artist Charlotta Janssen.

These changes have brought new attention to our non-profit community art center and also a lot of new people into our facility. This year's educational exhibit will focus on the Vietnam War. *When We Were Soldiers* will highlight the personal stories of Vietnam vets. We expect this show to make as big an impact as *Threads*. Changes can also be seen in our new website and upgrades we have made to our gallery space.

Our mission as a non-profit community art center is to enrich the lives of the residents in the greater Pottstown area through the visual arts, regardless of ethnicity and economic situations. Our goal is to spark creativity, build self-confidence and develop community bonds through education, mentoring and community service. Your Working Artist Membership is an important source of support for our non-profit. Benefits of your membership are below.
