The mission of ArtFusion 19464 is to enrich the lives of the residents in the greater Pottstown area through the visual arts, regardless of ethnicity and economic situations. Our goal is to spark creativity, build self-confidence and develop community bonds through education, mentoring and community service.

We have some exciting opportunities for sponsorship coming up in 2014. *ReSourced* will focus in art created from recycled, upcycled and salvaged items. *Rainbow Crow and Other Stories* will feature artwork inspired by Native American myths and legends. Along with showcasing incredible art, each exhibit will also have a strong educational focus, including free field trips for local students. Our goal is to expand our free field trips in 2014 to reach over 1000 children. We hope you will support our efforts by sponsoring one or both of these original shows.
