2020 Spring Art Enrichment Program for Teens

ArtFusion's free out-of-school-time programs are funded by The Greater Pottstown Foundation.

- All classes are held at our new facility at 341 Beech St. in downtown Pottstown. **TRANSPORTATION IS NOT PROVIDED.**
- While the program is free, each participant is required to pay a \$15 registration fee, which also entitles them to an ArtFusion teen membership. Memberships provide discounts on classes and parties for one year. **The fee must be paid before the start of class in order to hold your teen's space in the program.**
- Registration is on a first come, first served basis. There are a limited number of spaces available, so we recommend applying early. Applications are due by February 21, 2020. You will be notified whether your teen has been accepted.
- While preference will be given to students who qualify for free or reduced lunch, all students are encouraged to apply. Students who have already attended a free ArtFusion program before may apply, but preference will be given to those students who are new to the program.
- If after determining who is new to the program and who applied first, there are still more applicants than available spaces, the short paragraphs written by the student and by the parent will be used to determine who will be accepted into the program.
- You will be notified if you have been accepted into this program. **If you provide an email address, we will use that address to contact you about your application.** Please be sure to check your account regularly.
- Applicants must completely fill out the attached application form. *We require a separate application form for each student who is applying.* **Every applicant must write about why they want to participate in this program. The applicant's parent or guardian is also required to write why they think their teen should be considered for this program.**
- **It is very important that the student write their section themselves.** If an application is missing a student paragraph, or if a parent writes that section for their student, the application will not be accepted.
- There are several topic concentrations offered for this program. Student may choose as many as they want to attend. However, attendance in this program is very important. Students cannot miss more than two days of class or they will be dropped from the program, and will not be able to attend any other sessions they have selected. Students who are dropped will not be eligible to participate in any free programs at ArtFusion for one calendar year.

- Completed applications must be returned to ArtFusion. Please do not send them to your teen's school. Applications can be dropped off at our Beech St. location, scanned and emailed to info@artfusion19464.org, or mailed to the address below:
