Fall 2020 Art Enrichment Programs for Kids

ArtFusion's free out-of-school-time programs are funded by The Greater Pottstown Foundation.

- Some programs are held in person. Others are done virtually through a live online class.
- In person classes are held at 341 Beech St in downtown Pottstown. **TRANSPORTATION IS NOT PROVIDED.**
- While the program is free, each participant is required to pay a \$15 registration fee, which also entitles them to an ArtFusion kids' membership. Memberships provide discounts on classes and parties for one year. The registration fee is due when you are notified that you were accepted into the program and is non-refundable. **The fee must be paid before the start of class in order to hold your child's space in the program.**
- Registration is on a first come, first served basis. There are a limited number of spaces available. All applications must be received by September 9, 2020. You will be notified after that date if your child has been accepted.
- While preference will be given to students who qualify for free or reduced lunch, all students are encouraged to apply. Students who have already attended an Academy class before may apply, but preference will be given to those students who are new to the program.
- If after determining who is new to the program and who applied first, there are still more applicants than available spaces, the short paragraphs written by the student and by the parent will be used to determine who will be accepted into the program.
- You will be notified if you have been accepted into this program. **If you provide an email address, we will use that address to contact you about your application.** Please be sure to check your account regularly.
- Applicants must completely fill out the attached application form. *We require a separate application form for each student who is applying.* **Every applicant must write (by themselves in their own handwriting) about why they want to participate in this program. The applicant's parent or guardian is also required to write why they think their child should be considered for this program.**
- **It is very important that the student write their section themselves.** If an application is missing a student paragraph, or if a parent writes that section for their child, the application will not be accepted.
- Attendance in this program is very important. Students cannot miss more than two days of class or they will be dropped from the program. Students who are dropped will not be eligible to participate in any free programs at ArtFusion 19464 for one calendar year.
- Students may not apply for and attend more than one free program during a session. (For example: if a student applies for Clay Academy, they are not eligible to attend Art Academy.) Please check the appropriate box on the application indicating the program you are applying for.

- Completed applications must be returned to ArtFusion 19464. Please do not send them to your child's school. Applications can be dropped off at our Beech St. location, scanned and emailed to info@artfusion19464.org, or mailed to the address below:
