These programs are funded by The Greater Pottstown Foundation.

Applications due by September 25, 2021.

In-Person Fiber: Fashion and Upcycling with Hailey Bryant

In this class students with a passion for fashion will use secondhand clothes and upcycled materials to create one of a kind wearable pieces. Techniques taught will include embroidery, surface manipulation and basic sewing machine skills. Please bring a couple of old t-shirts, jeans or other clothing items. All other supplies will be provided. Class begins October 5 and runs Tuesdays from 4:30-6pm each week for 4 weeks. Maximum 6 students.

In-Person Enameled Jewelry with Hali MacLaren

Learn the basics of creating enameled jewelry, using various traditional jeweler's tools and techniques. Class begins October 21 and runs Thursdays from 6:30-8:30pm for 4 weeks. Maximum 6 students.

In Person Recycled Art with Julie Tonnessen

Students will learn to create with recycled, upcycled and salvaged materials, to learn to see the creative value in items normally discarded. We will also explore the role of art in bringing awareness to environmental issues. Classes begin November 4 and runs Thursdays from 4:30-6pm for 4 week. No class 11/25. Maximum 6 students

Please read our COVID-19 Class Policy on our website for details on the safety procedures for in person classes.

Important Program Information

- Some programs are held in person. Others are done virtually through a live, online class. In person classes are held at 341 Beech St in downtown Pottstown. **TRANSPORTATION IS NOT PROVIDED.**
- While the program is free, each participant is required to pay a \$15 registration fee, which also entitles them to an ArtFusion teen membership. Memberships provide discounts on classes and parties.
- Registration is on a first come, first served basis. Applications are due by June 30, 2021. There are a limited number of spaces available, so we recommend applying early. You will be notified whether your teen has been accepted.
- While preference will be given to students who qualify for free or reduced lunch, all students are encouraged to apply. Students who have already attended a free ArtFusion program before may apply, but preference will be given to those students who are new to the program.

- If after determining who is new to the program and who applied first, there are still more applicants than available spaces, the short paragraphs written by the student and by the parent will be used to determine who will be accepted into the program.
- You will be notified if you have been accepted into this program. If you provide an email address, we will use that address to contact you about your application. Please be sure to check your account regularly.
- Applicants must completely fill out the attached application form. We require a separate application form for each student who is applying. Every applicant must write about why they want to participate in this program. The applicant's parent or guardian is also required to write why they think their teen should be considered for this program.
- **It is very important that the student write their section themselves. If an application is missing a student paragraph, or if a parent writes that section for their student, the application will not be accepted.**
- There are several topic concentrations offered for this program throughout the year. Students may choose as many as they want to attend. However, attendance in this program is very important. Students cannot miss more than two days of class or they will be dropped from the program, and will not be able to attend any other sessions they have selected. Students who are dropped will not be eligible to participate in any free programs at ArtFusion for one calendar year.
- Completed applications must be returned to ArtFusion. Please do not send them to your teen's school. Applications can be dropped off at our Beech St. location, scanned and emailed to info@artfusion19464.org, or mailed to the address below:
