## Rework: Our Winter ArtFusion Artist Show

February 19 through April 2, 2022

Drop off: Saturday, February 12 from 11am-2pm

Pick up: Saturday, April 2 from 11am-2pm

- Pieces for this show will be in pairs, one old and one new. You can enter up to two pairs. **There is no exhibit fee for this show.**
- The theme for this show is Rework. The idea is to take an older piece of work and reimagine it in your current style and/or medium. The original piece will be shown side-by-side with the new piece.
  - We want you to find an old piece, maybe hidden in a closet or put away and forgotten about. Take a good look at the work. How would you create that piece today, using everything you have learned in the years since you created it? Maybe you now paint with acrylics and your original piece was pencil. Can you take a realistic piece and create an abstract? Or totally change things up by taking a 2D piece and reimaging it in 3D.
  - If you are a photographer, can you revisit the location and take a new photo of the scene today? Is what you photographed even still there? Can you take an old photograph, scan and manipulate the image using editing software?
- Pieces can be 2D or 3D in any medium.
- If you cannot pick up or drop off on the date indicated, please call to make arrangements **BEFORE** that date.
- All pieces must be **LABELED ON THE BACK** with the artist's name and title of the piece. (No prices, please.)
- Please make sure all framed pieces have **PICTURE WIRE**. Our hanging system does not accept sawtooth hangers.
- Also check mats for dirt and uneven cuts and frames for dents and chips. Any frame condition issues must be listed on your inventory sheet.
