Summer 2022 Free Art Programs for Teens

These programs are funded by The Greater Pottstown Foundation.

Applications due by June 1, 2022.

In-Person Pottery with Kristen Von Hohen

This class is all about exploring texture in clay. You will learn different techniques to build your piece and many more ways to add texture to accentuate the final design. All pieces will be layered with different glazes to help show off the differences in texture. Final pieces will be able for pickup approximately one week after the last class. All supplies will be provided. Class begins July 14 and runs Thursdays from 1-2:30pm each week for 4 weeks. NO CLASS AUGUST 4. Maximum 8 students.

In-Person Manga with Kira Phillips

Learn the history of manga and anime, and develop the skills you need to draw in those styles. We will focus on character design and proper body proportions while discovering new ways to draw in different styles. The main goal of this class is to strengthen the understanding of the anime/manga styles and be able to produce well drawn out characters with great designs. All supplies will be provided. Class begins July 12 and runs Tuesdays from 10:30am-noon for 4 weeks. Maximum 8 students.

Please read our COVID-19 Class Policy on our website for details on the safety procedures for in person classes.

Important Program Information

- Some programs are held in person. Others are done virtually through a live, online class. In person classes are held at 341 Beech St in downtown Pottstown. **TRANSPORTATION IS NOT PROVIDED.**
- While the program is free, each participant is required to pay a \$10 registration fee.
- Registration is on a first come, first served basis. Applications are due by June 1, 2022. There are a limited number of spaces available, so we recommend applying early. You will be notified whether your teen has been accepted.
- While preference will be given to students who qualify for free or reduced lunch, all students are encouraged to apply. Students who have already attended a free ArtFusion program before may apply, but preference will be given to those students who are new to the program.
- If after determining who is new to the program and who applied first, there are still more applicants than available spaces, the short paragraphs written by the student and by the parent will be used to determine who will be accepted into the program.
- You will be notified if you have been accepted into this program. If you provide an email address, we will use that address to contact you about your application. Please be sure to check your account regularly.

- Applicants must completely fill out the attached application form. We require a separate application form for each student who is applying. Every applicant must write about why they want to participate in this program. The applicant's parent or guardian is also required to write why they think their teen should be considered for this program.
- **It is very important that the student write their section themselves. If an application is missing a student paragraph, or if a parent writes that section for their student, the application will not be accepted.**
- There are several topic concentrations offered for this program throughout the year. Students may choose as many as they want to attend. However, attendance in this program is very important. Students cannot miss more than two days of class or they will be dropped from the program, and will not be able to attend any other sessions they have selected. Students who are dropped will not be eligible to participate in any free programs at ArtFusion for one calendar year.
- Completed applications must be returned to ArtFusion. Please do not send them to your teen's school. Applications can be dropped off at our Beech St. location, scanned and emailed to info@artfusion19464.org, or mailed to the address below:
